

INTERNATIONAL INSURANCE COVERAGE

All international students should be covered by health insurance. Saint Paul Lutheran High School contracts with CMI Insurance Specialists for this health coverage. The amount of the premium is set in August, 2011. The cost of this insurance is due and payable at the beginning of the year and covers the academic year.

Students may use insurance purchased in their home countries. This insurance must have a United States address or phone number so claims can be filed. The student must provide a copy of the insurance card and the coverage so that Saint Paul can assist in filing claims for injuries or illness as provided in the individual coverage.

Student Name _____

Student Birth Date (month/date/year) _____

Parent's Signature _____

Date _____
