

Servants of the Saints 2012-2013

Greetings:

Servants of the Saints is an organization that supports Saint Paul Lutheran High School. The goal of this organization is to provide special activities for the students, and supplies for school use to help create memorable occasions and promote the welfare of the students of Saint Paul High. As a parent of a current or former student, alumni of Saint Paul Lutheran High or someone who wants to support the school and its mission, *you* are a member of this organization.

Some of the ways Servants of the Saints (S.O.S.) serves the students of Saint Paul:

- Making cakes for a birthday, sending cookies, brownies or party mix to your child for a special occasion. Please complete the attached form.

- Hosting the Homecoming World Party, as well as other World Parties after home football games.

- Supplying the food service with a case of fruit each week

- A specially made wooden cross for each graduate

- Non-Prom activities

Each year a "Wish List" is made by the faculty of Saint Paul High that is presented to the Servants of the Saints for approving the items that will be funded by the projects. These items have included:

- Football helmets

- Digital projectors

- \$5,000 for operating expenses for the school

- AED defibrillator

- \$2,000 for uniform replacement

- Non-Prom

- 10 net books for Speech & Composition Classes

- 2 Coolpix 5600 cameras

- 2 rice cookers

- Physics lab optics for new dual credit physics course

The items on the wish list are funded each year by events which Servants of the Saints sponsors, including:

- The annual fall and spring rummage sales.

- The dessert auction at the Homecoming banquet (football)

- The chili/soup dinner at Courtwarming (basketball)

- The making and selling of apple butter

- The Saints Store

- The annual Valentines Day Dance and Dinner

- The annual sausage dinner

- The ice cream stand at the Concordia Fall Festival

- Donations

To accomplish these projects, serve the students and school takes much time and effort from local area individuals. If you are interested in helping with Servants of the Saints please check the school's web site, click support Saint Paul, then Servants of the Saints. There are forms that you can print and send to the school, or feel free to email.

We look forward to serving the students of Saint Paul Lutheran High School, and hearing from you.

SERVANTS OF THE SAINTS 2012-2013

Dear Parent,

One of the many functions of Servants of the Saints is to help provide a "home away from home" for our residential students. Birthdays, Valentines Day, or a "Just Surviving the Week" are examples of how we can serve you and your son or daughter.

Place your order for a cake, cookies, brownies, or party mix by completing the attached form and returning it to the school. Orders placed now will be held until the appropriate date for delivery. If you plan to place an order later in the year, we ask for at least a ten (10) day advance notice.

Along with the baked goods, a card will be included delivering that special message from you that reminds them of your love and prayers.

The money you contribute helps defer the costs for this and many other projects designed for our students.

We are truly honored to have the opportunity to serve you. We look forward with great anticipation to the 2011-2012 academic year!

May the Lord richly bless and keep you in His boundless grace.

This could include a home cooked meal, an evening with your family, using your laundry facilities, shopping in the city, or a quick run to Patricia's.
